

NAMI Class Teacher (e.g., Family-to-Family, Peer-to-Peer, Basics)

Role Summary:

Teach structured NAMI education programs that empower participants through evidence-based tools, shared experience, and community resources.

Key Responsibilities

- Teach all scheduled class sessions as part of a teaching team
- Follow approved NAMI curriculum (no modifications)
- Create an engaging, supportive learning environment
- Track class attendance and participant feedback
- Maintain professionalism and confidentiality

Qualifications

- Lived experience relevant to the class type
- Comfortable presenting and facilitating group activities
- Completion of NAMI teacher training
- Reliability and strong interpersonal skills

Time Commitment: Varies by course; generally one class per week for 6–8 weeks

Reports To: Program Coordinator
